

# Recommendation Report

## Executive Summary

{ "title": "Preferred Safety Tech Upgrade Suppliers Performance", "summary": "This report shows the performance of preferred safety tech upgrade suppliers, comparing their rating and average delivery days.", "recommendations": [ "Evaluate non-preferred suppliers for potential partnerships to increase competition and potentially lower costs", "Investigate the root cause of higher than expected delivery times from Metro Plastics Molding", "Consider setting up regular performance reviews with preferred suppliers to maintain relationships and ensure ongoing quality" ], "chart": { "type": "bar", "labels": [ "2025-09", "2025-09", "2025-09", "2025-08", "2025-08", "2025-08", "2025-07", "2025-07", "2025-07", "2025-06" ], "values": [ 3591.0, 6783.0, 6104.0, 10086.0, 12200.0, 17171.0, 15000.0, 8183.0, 10000.0, 11418.0, 8710.0, 4975.0 ] } }

## Recommendations

1. Evaluate non-preferred suppliers for potential partnerships to increase competition and potentially lower costs
2. Investigate the root cause of higher than expected delivery times from Metro Plastics Molding
3. Consider setting up regular performance reviews with preferred suppliers to maintain relationships and ensure ongoing quality
