

Recommendation Report

Executive Summary

{ "title": "Top Products Sales and Preferred Providers Report", "summary": "This report highlights the top selling products based on quantity and revenue for the last three months, as well as their preferred providers. The chart below shows monthly sales of the top three products.", "recommendations": ["Consider increasing orders from Velocity Wiring & Cable to meet demand for Inverter & Power Electronics and EV Battery Modules", "Evaluate contracts with Metro Plastics Molding to secure better pricing or terms for Brake Sensors", "Investigate expanding product offerings with Apex Auto Components given their strong sales performance in ADAS Camera & Sensor Suite"], "chart": { "type": "bar", "labels": ["2025-09", "2025-09", "2025-09", "2025-08", "2025-08", "2025-08", "2025-07", "2025-07", "2025-07", "2025-06"], "values": [35226.0, 67562.0, 46914.0, 40037.0, 39093.0, 43368.0, 15000.0, 26758.0, 10000.0, 50703.0, 56420.0, 45504.0] } }

Recommendations

1. Consider increasing orders from Velocity Wiring & Cable to meet demand for Inverter & Power Electronics and EV Battery Modules
2. Evaluate contracts with Metro Plastics Molding to secure better pricing or terms for Brake Sensors
3. Investigate expanding product offerings with Apex Auto Components given their strong sales performance in ADAS Camera & Sensor Suite
